* All finished images in your gallery are available in a 2:3 format - which is a little wider than many common print sizes (8x10, 11x14). This means the finished print would need to be cropped - you'd lose a little bit of edge from the images as you see them in your gallery.

About our prints

All prints are printed in vibrantly colored professional 100 year archival paper.

Referrals

I love referrals! Refer two different friends or family members to Angie McKaig Photography and receive a FREE session with us at the completion of both referred sessions. Each friend will also receive a complimentary 5x7 print to thank them for entrusting us with their memories.

Don't forget the tax man

Please note that prices as listed above do not include 8% PST.
